OTHER INFO

For the enjoyment of the competitors, the committee generally runs "brackets" and jackpots during the qualifier. So that bowlers may be checked in quickly and efficiently and so that squads can remain on time, please arrive at the lanes at least 30 minutes prior to the start of your squad.

As is the common practice of this tournament, we have suggested that the proprietors oil the lanes prior to the first squad in expectation that the lanes will NOT be oiled prior to the other squads. It is each entrant's responsibility to read ALL of the tournament rules found on the back of this entry form. Any and all questions should be directed to the Tournament Director, David Hewett, at 825-9051

TOURNAMENT RULES

QUALIFIER - January 09, 2021 and January 10, 2021 at Rolling Meadow Lanes

SEMIFINALS - January 16, 2021 at Eastway Lanes

FINALS - January 23, 2021 at Lake City Lanes and January 24, 2021 at Greengarden Lanes

1. The tournament is open to the first 168 (the initial limit is 144 and the final limit determination is left to the discretion of the tournament committee) paid male or female entries who meet one of the following three criteria: 1) legal residence is within the boundaries of the Erie County or 2) is bowling in a league at a bowling establishment within Erie County and has bowled 21 or more games in such league during the prior summer or current season at the time the tournament commences or 3) has competed in a minimum of 5 previous Times-News Open events. This is a SANCTIONED event and ALL participants must have a card. A temporary card may be purchased. The committee reserves the right to increase or decrease the total number of entries at any time.
2. The tournament will consist of a ten (10) game qualifying round, followed by a semi-final round of six (6) games and a final round of sixteen (16) match games. Only the top thirty-two (only 32, no ties) bowlers after the first ten (10) games (based on 160 entries). In the event that entries are higher or lower, the semi-final field could be increased or decreased. The top sixteen (16) qualifiers (only 16, no ties) after sixteen (16) games will advance to the final round. Total pinfall will determine the position of the finalists. Ties for the final position(s) when there is a cut (sem-finals and finals) will be broken by a one-game roll-off. Should this end up in a tie, sudden-death 9th and 10th frame roll-offs will be used until a winner is determined.

The finals will be bowled in accordance with the standard USBC sixteen team schedule with a position round used for the sixteenth game. All matches in the finals will be decided on the basis of total pins with the match winner receiving 30 additional bonus pins. In the event that a match is halved, each bowler will receive an additional 15 bonus pins. All matches will be one (1) game. In the event of a tie for first place after sixteen games, the individuals who are tied will bowl one (1) game to resolve the tie. If the tie is still not broken another game will be bowled. If the tie is still not broken the sudden-death procedure described above will be implemented. The qualifying totals WILL NOT be carried over into the finals.
3. There shall be no substitutions during the qualifying rounds, once bowling has commenced. Should a bowler have to withdraw before the start of the qualifier, the position shall be filled from the stand-by list. Unless there is a replacement to fill the vacancy all entry fees and prize money shall be forfeited. In the event of a withdrawal of a finalist, prior to the finals, the first alternate (17th place) shall move up to the last qualifying position and all finalists shall move up one position until the vacancy is filled. Should a substitute be required once the finals have begun, the lowest numbered available qualifier shall be used, starting with the seventeenth position. A penalty of one hundred (100) pins shall be imposed on the bowler being replaced. The prize money of both bowlers will be split evenly.
4. Should a contestant be forced to withdraw once his/her entry has been paid, he/she shall be refunded only the prize money portion of his/her entry. However, there will be no refund if a replacement cannot be found to fill the spot or, if the withdrawal occurs after the bowling commences. The committee reserves the right to determine refunds in unusual circumstances.
5. The entry fee is \$80.00 which includes the prize fee (\$42.00), expenses (\$4.00), qualifier bowling (\$28.00) and finals' bowling (\$6.00). All bowling in the finals will be paid from entry fees. This allocation is based on the estimated cost of bowling and expenses and may be adjusted if expenses warrant. Every effort will be made to maintain the prize fund portion. The prize ratio is approximately 1 in 5 and every effort will be made to ensure the smallest prize paid will be equal to or greater than the entry fee.
6. There will be no practice on the tournament lanes at any time during the day of the tournament (this applies only to those lanes being used). The penalty for violation of this rule is disqualification. Practice is allowed on any other lanes in the house up to ten (10) minutes prior to the start of competition. In the event that there are not enough lanes to meet demand for practice, all practice may be refused.
7. Entries shall be subject to acceptance by the tournament committee which shall be the sole judge as to the acceptance or rejection of any and all entries.

YOUTH The Times-News Open is an adult event although youth are not precluded from participation. However all youth are required to have parental consent, cannot earn prize money (any earnings are submitted to the USBC SMART scholarship program), and are not permitted to participate in jackpots, brackets, etc.

OUTLET Additionally, ALL youth are subject to the approval of the tournament committee regardless of age. Should a parent want to request an exception for a youth who has not been permitted to participate, a written letter may be submitted to the tournament director requesting an exception. The letter should include all information pertinent for the youth to be considered for participating in an adult event which must then be signed by a parent and should include a reference from a coach or other non-parental adult.

8. The tournament shall be conducted under USBC tournament rules and regulations, and any rules not specifically stated herein shall be handled in accordance with the appropriate USBC rulings.
9. Each bowler shall have his/her choice of starting squad for the first day's bowling only, and this is only on a first come first serve basis. There will be no switching shifts. Bowlers will bowl one of the following combinations: SQUAD A=First/Second, SQUAD B=Second/First.

Due to COVID-19 the qualifier may be limited as to the number of participants per squad. If restrictions remain in place the qualifier will be conducted using 4 squads and bowlers will select either an early or a late combination (9:00 am & 11:00 am or 2:00 pm & 4:00 pm). They will bowl either early/late or late/early in either the morning or afternoon. The lanes will be oiled prior to the 9:00 am and 2:00 pm squads. A final determination as to the need for additional squads will be made no later than January 3, 2021.
10. During the qualifier, generally, bowlers will move to their right skipping a pair(s) of lanes after each game and begin on the opposite (odd or even) lane that they started their prior game on. (Example: Game 1 on lane 3, Game 2 on lane 8). The number of pairs skipped will be at the discretion of the committee.
11. There is a dress code rule for both the semi-final qualifying round and both finals' rounds. Detailed dress code information is available at topen.org/dress_code. Penalty for violaton is at the sole discretion of the committee and may be up to and including disqualification.
12. No entries will be accepted prior to November 1, 2020 and ALL ENTRIES MUST BE ACCOMPANIED BY A COMPLETED ENTRY FORM AND THE FULL ENTRY FEE OF \$80 TO SECURE A SPOT IN THE TOURNAMENT. Entries are generally available online at www.topen.org and are subject to proper submission and payment. Entries close January 9, 2021 at 1:00 pm. Only cash will be accepted for entries after January 3, 2021 subject to the discretion of the tournament committee.
